

OPERATION LYDIAN BULWARK - BLUE OPERATIONS OVERLAY

RDC Coalition Land Corps | Effective 18 May 2030, 0600 local | Fictional terrain map

Blue Overall Scheme

RDC COALITION LAND CORPS

- **RDC Coalition Land Corps** — Conduct an area defense in depth to retain Aradesh, Kirov, Belas, and the Arel River crossings; fix penetrations, counterattack along one corps-selected branch, and consolidate to prevent a breakthrough into central Lydia.
- **1st Multinational Armored Division** — Defend Aradesh, Belas, and the western route; fix the central attack, counterattack on order, and restore the central defense to protect the corps' decisive terrain.
- **2nd Multinational Infantry Division** — Defend Kirov and the corps flanks; block the Drovna and Maren approaches and deny key crossings to prevent envelopment and enable the corps counterattack.
- **1st Division Artillery Group** — Provide GS to 1st Division; prioritize the central defense and decisive operation to disrupt the attack and enable the division counterattack.
- **2nd Division Artillery Group** — Provide GS to 2nd Division; prioritize the most threatened flank and corps counterattack to disrupt penetrations and protect the defensive framework.

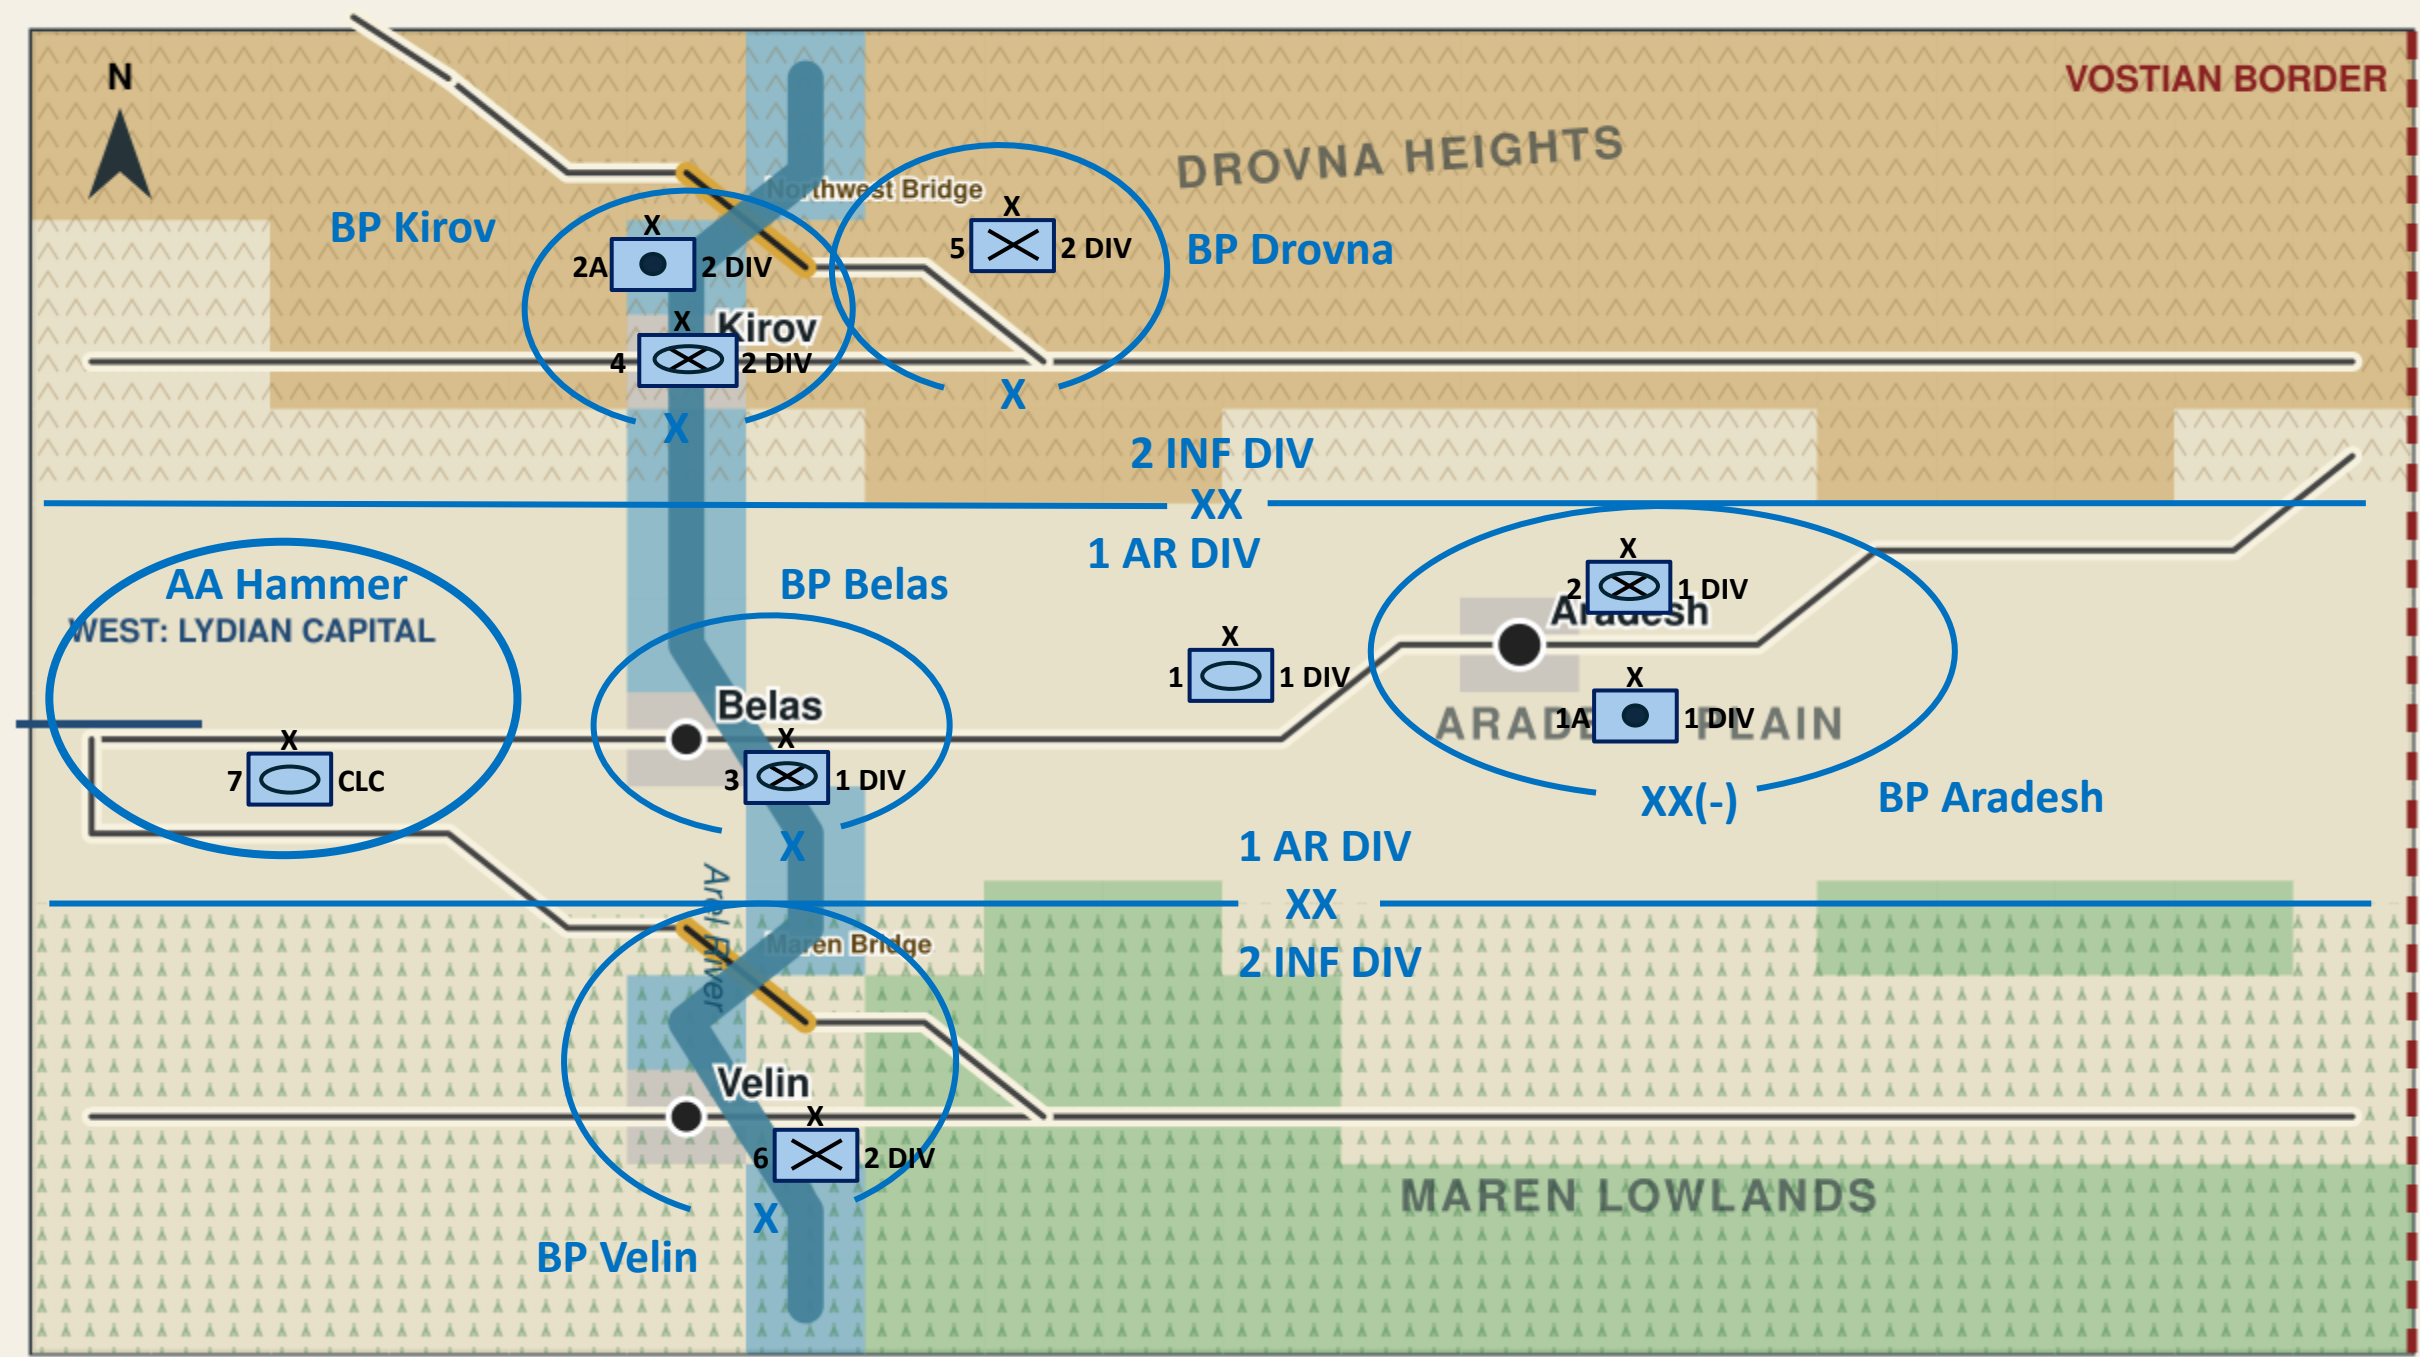

Abbreviations: **GS** = general support; **PRI** = priority of fires;

SOLID = PRESENT; DASHED = PLANNED OR CONDITIONAL

Fictional – All locations, units, and scenarios are fictional

OPERATION LYDIAN BULWARK - BLUE OPERATIONS OVERLAY

RDC Coalition Land Corps | Effective 18 May 2030, 0600 local | Fictional terrain map

Approx. 200 x 140 km operational area; 10 km per game hex.
50 km

Clear Rough Marsh Water Urban

Blue PHASE I RDC COALITION LAND CORPS

- **RDC Coalition Land Corps** — Conduct an area defense in depth to retain Aradesh, Kirov, and Belas, deny the Arel River crossings, and establish the framework for the corps defense.
- **1st Multinational Armored Division** — Conduct an area defense to retain Aradesh, Belas, and the western route and prevent the enemy from rupturing the central sector.
- **2nd Multinational Infantry Division** — Conduct an area defense to retain Kirov, block the Drovna and Maren approaches, and deny the Northwest Bridge and southern crossings.
- **1st Division Artillery Group** — Provide GS; PRI 2nd Mechanized Brigade and occupy firing positions to disrupt the attack against Aradesh and the central sector.
- **2nd Division Artillery Group** — Provide GS; PRI 4th Mechanized Brigade and occupy firing positions to disrupt flank attacks and support the defense of Kirov.

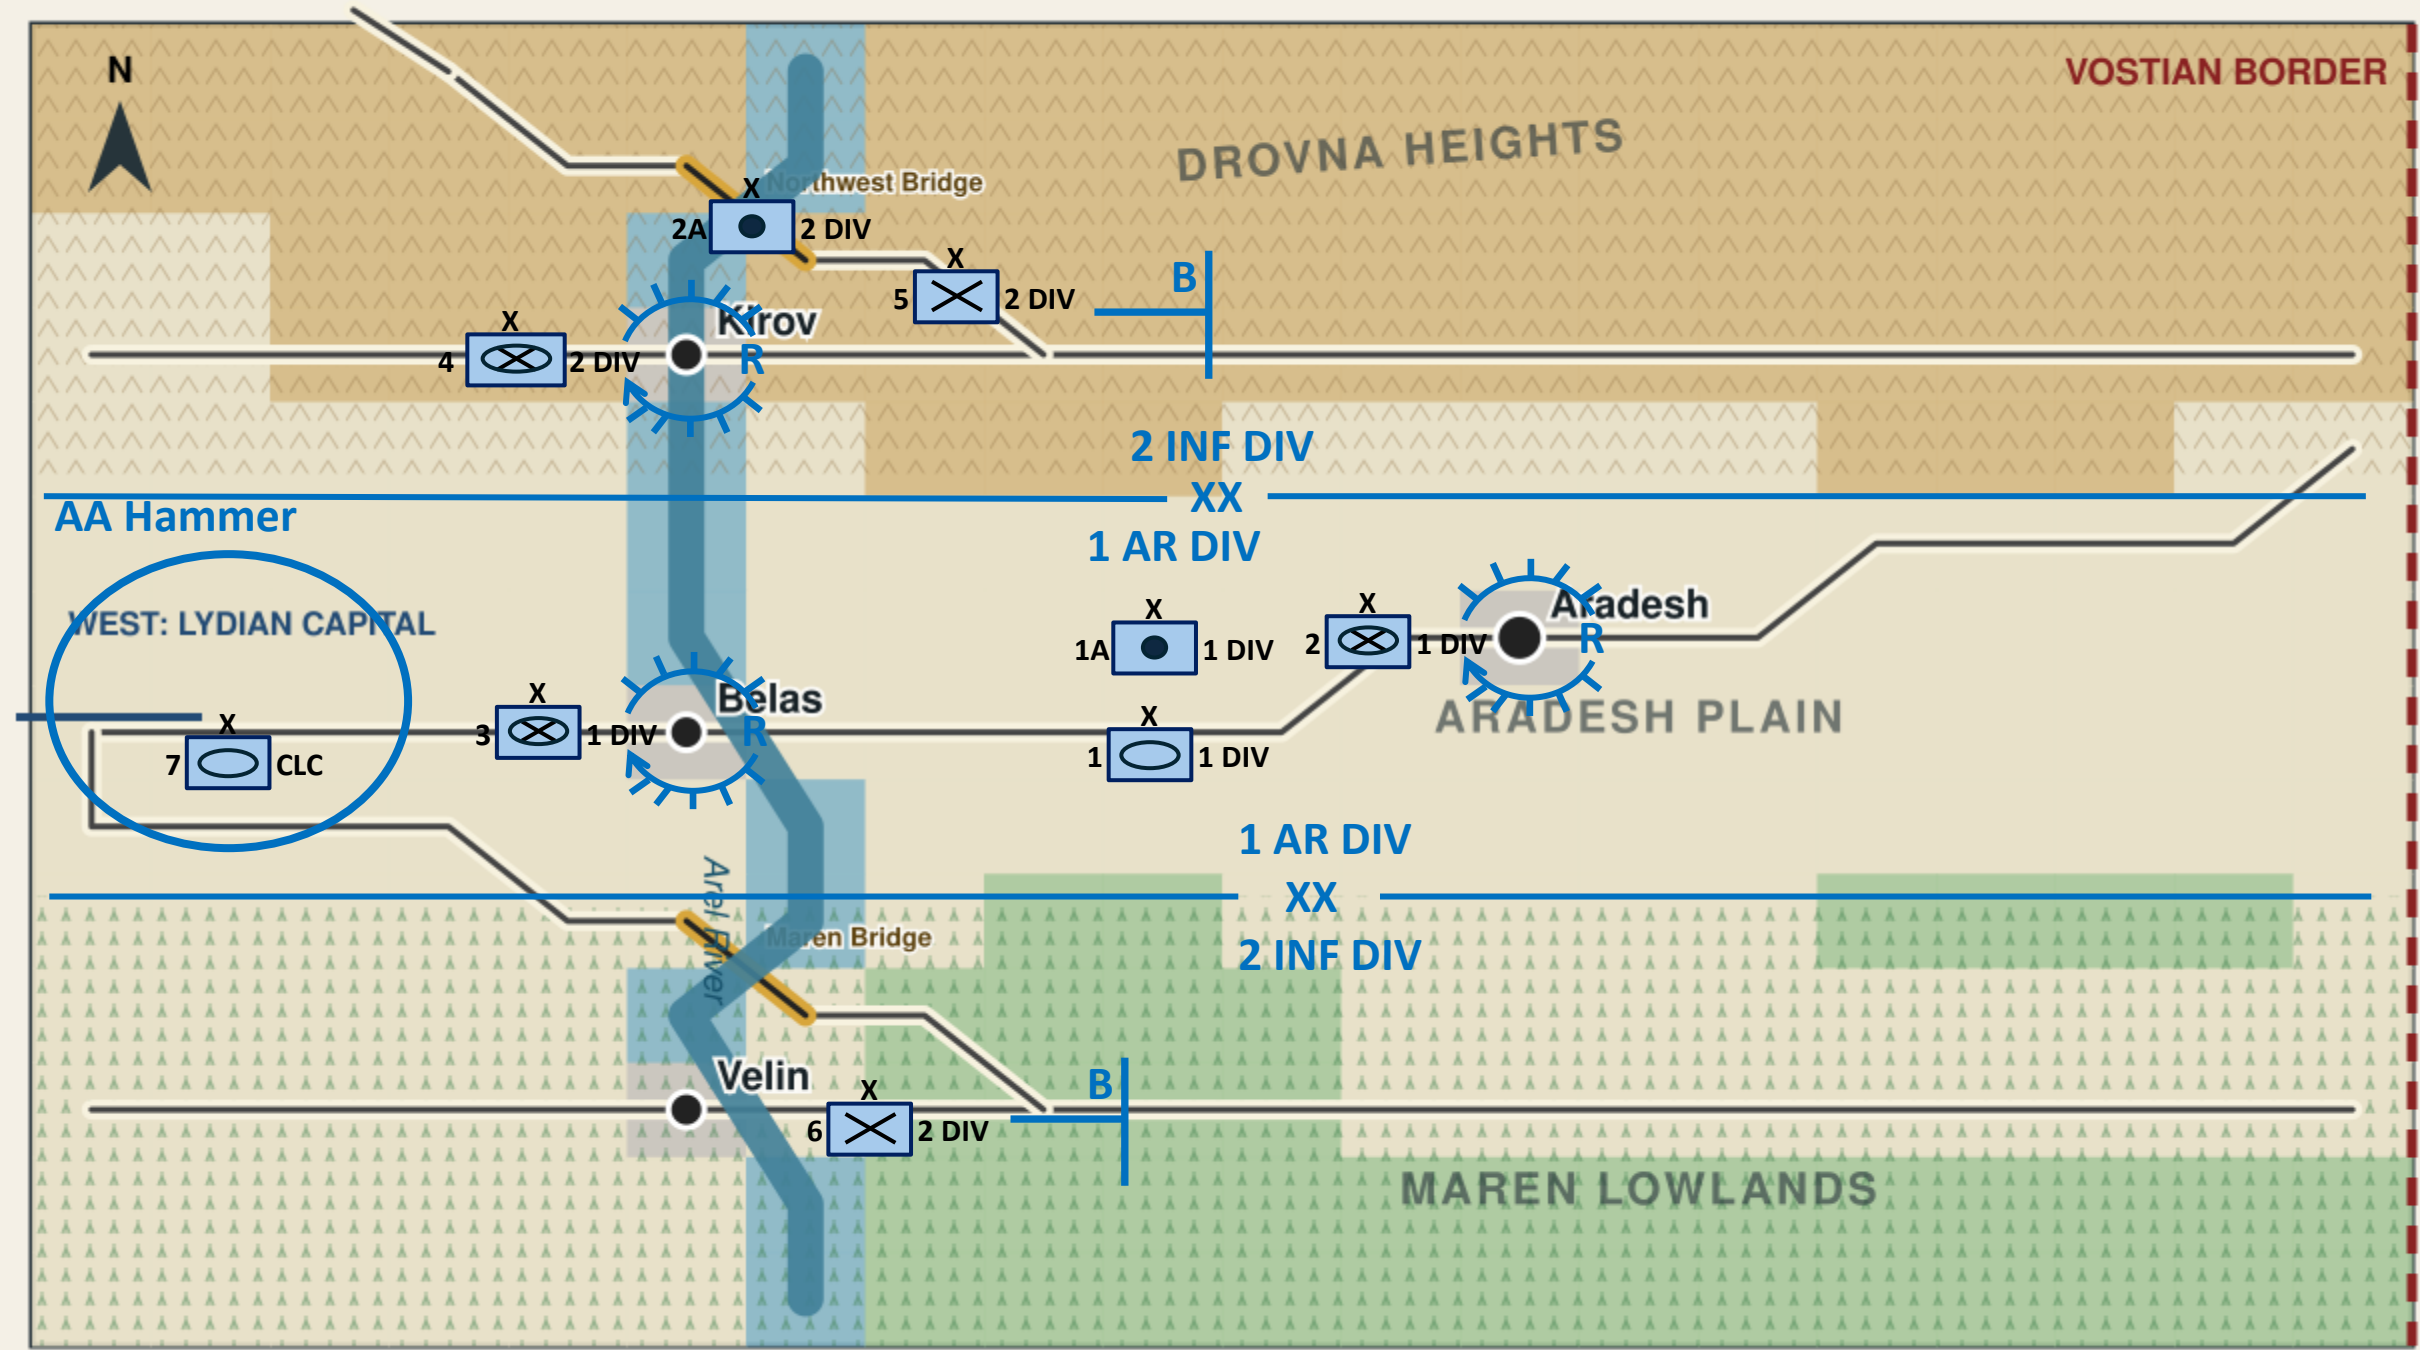

Abbreviations: **GS** = general support; **PRI** = priority of fires;

SOLID = PRESENT; DASHED = PLANNED OR CONDITIONAL

Fictional – All locations, units, and scenarios are fictional

Blue PHASE II

RDC COALITION LAND CORPS

- **RDC Coalition Land Corps** — Continue the area defense in depth to retain key terrain, fix enemy penetrations, and preserve freedom of action for the corps counterattack.
- **1st Multinational Armored Division** — Retain Aradesh, Belas, and the western route and fix the central attack to preserve the central corridor and enable counterattack.
- **2nd Multinational Infantry Division** — Retain Kirov, deny the northern and southern flank routes and crossings, and fix penetrations to prevent the enemy from turning the corps defense.
- **1st Division Artillery Group** — Provide GS; PRI 2nd Mechanized Brigade to disrupt the central attack and displace as required to maintain support to the defense.
- **2nd Division Artillery Group** — Provide GS to the most threatened sector to disrupt flank penetrations and displace as required to prevent a breakthrough.

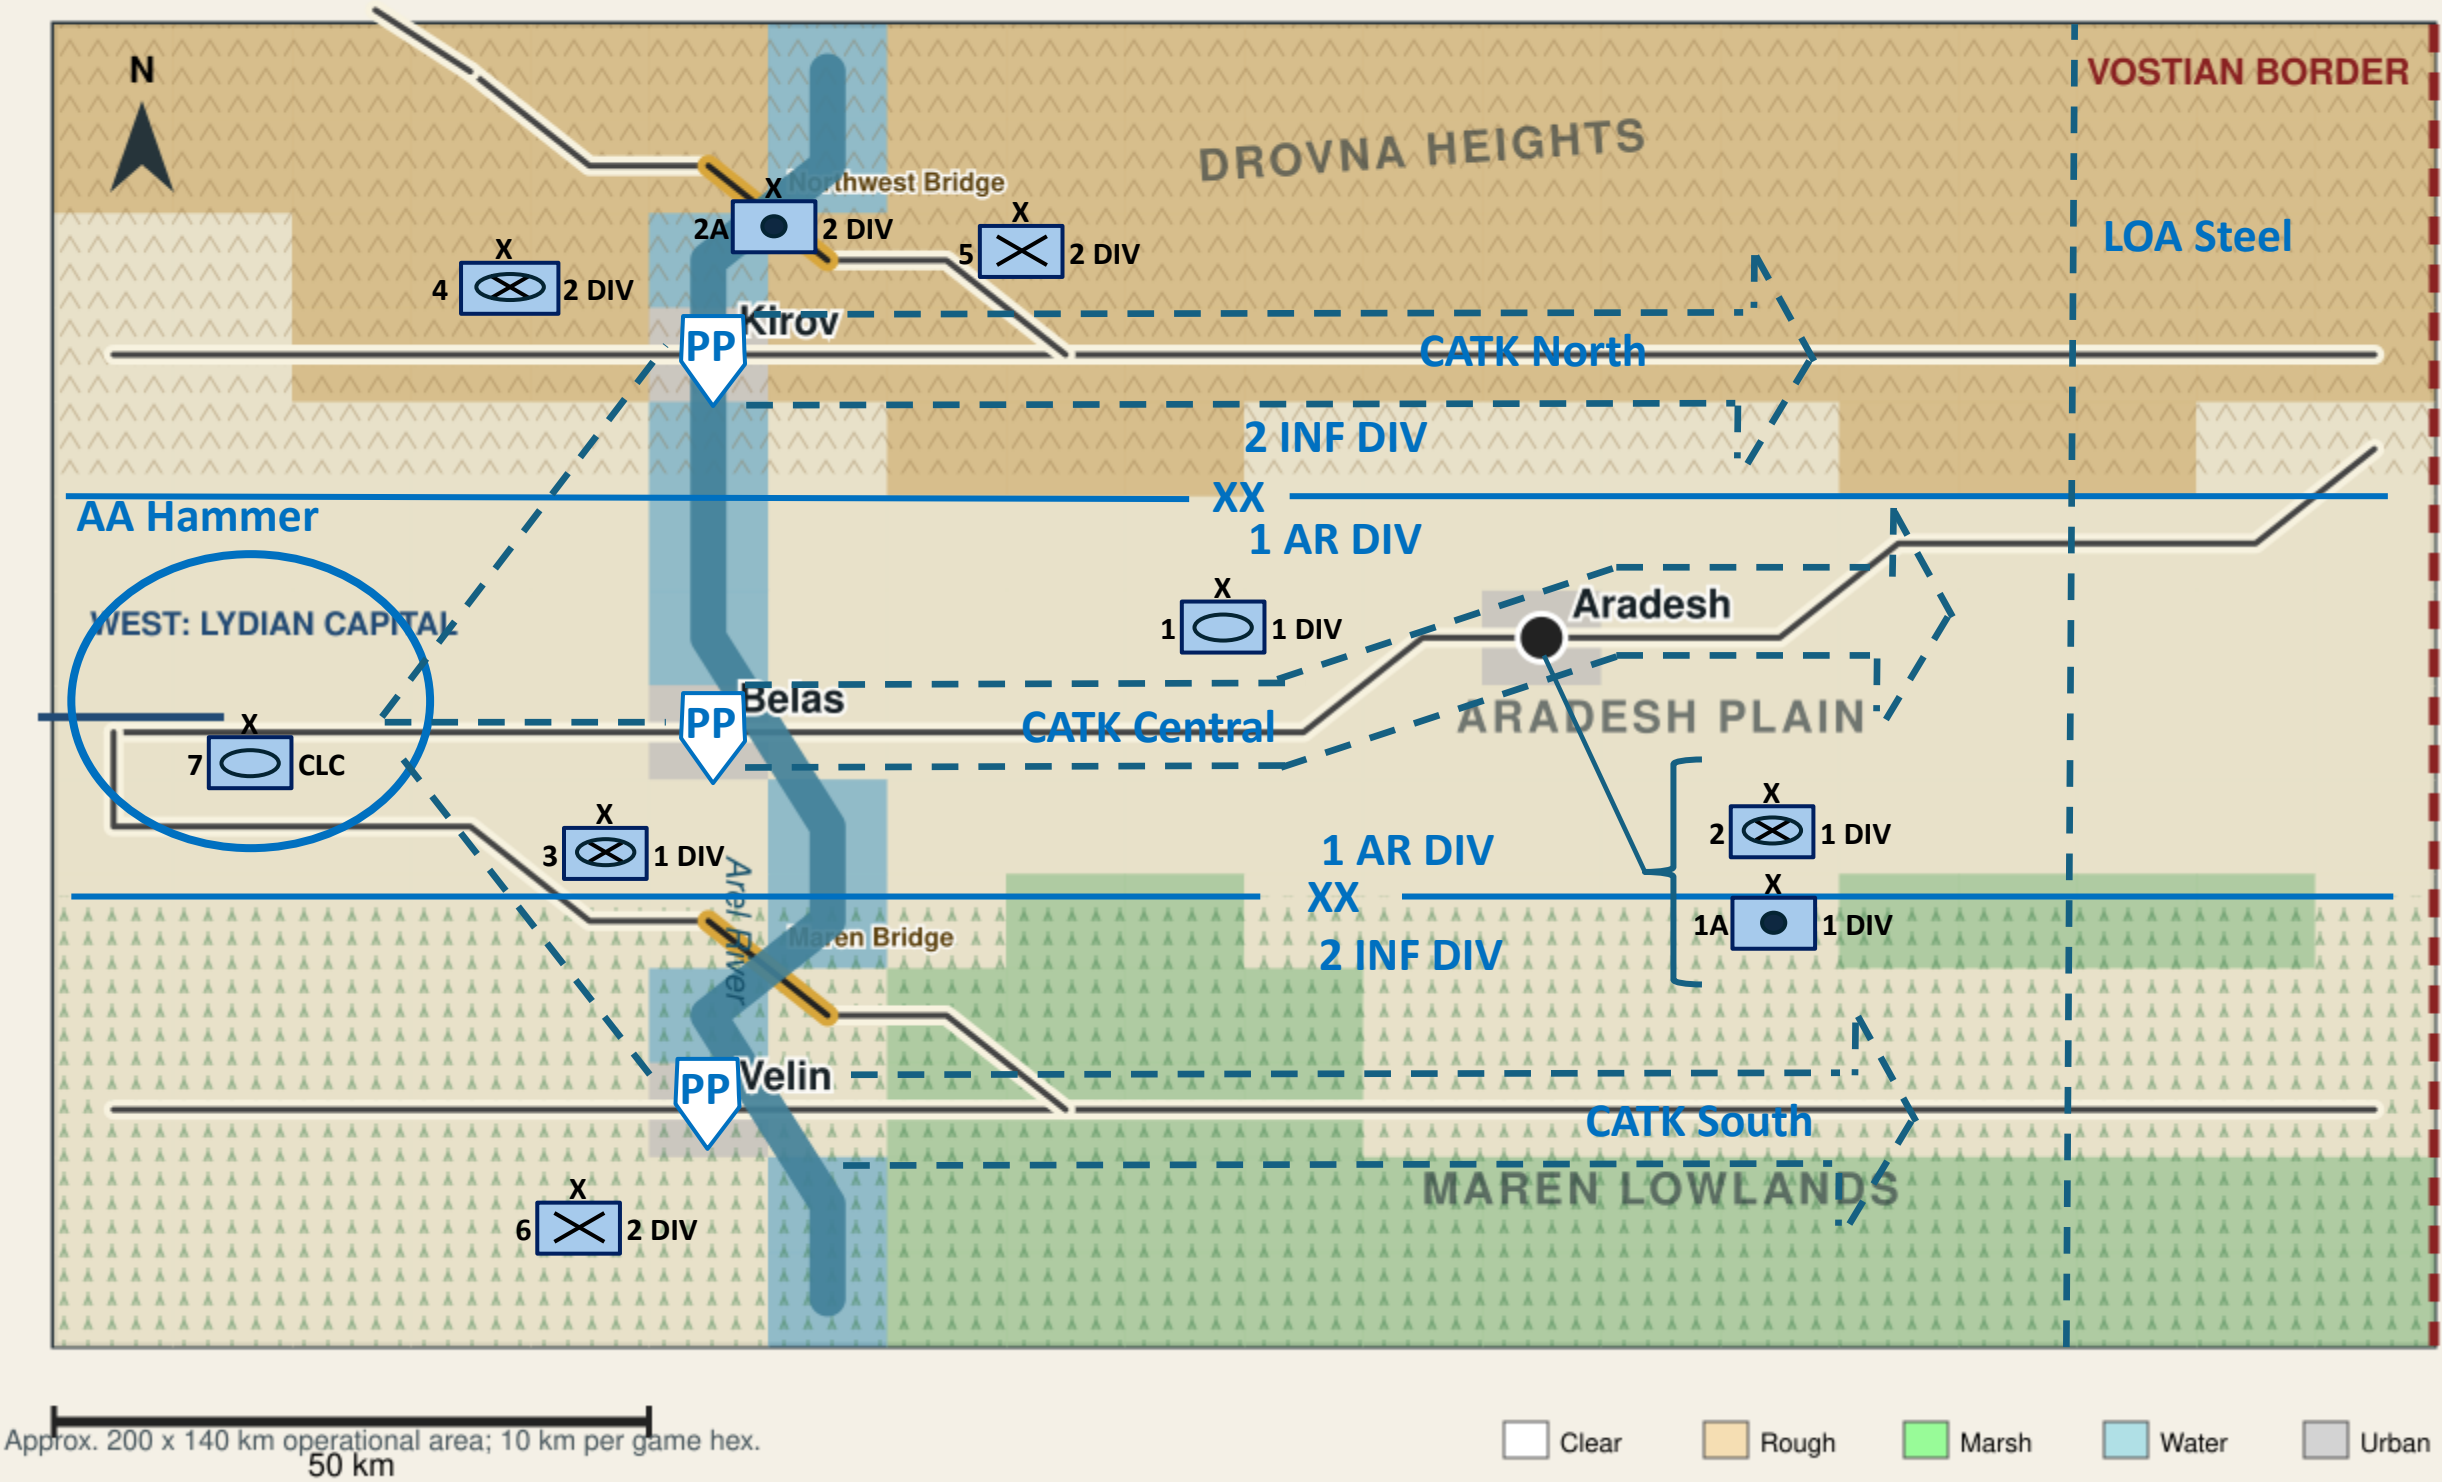

Abbreviations: **GS** = general support; **PRI** = priority of fires;

SOLID = PRESENT; DASHED = PLANNED OR CONDITIONAL

Blue PHASE III RDC COALITION LAND CORPS

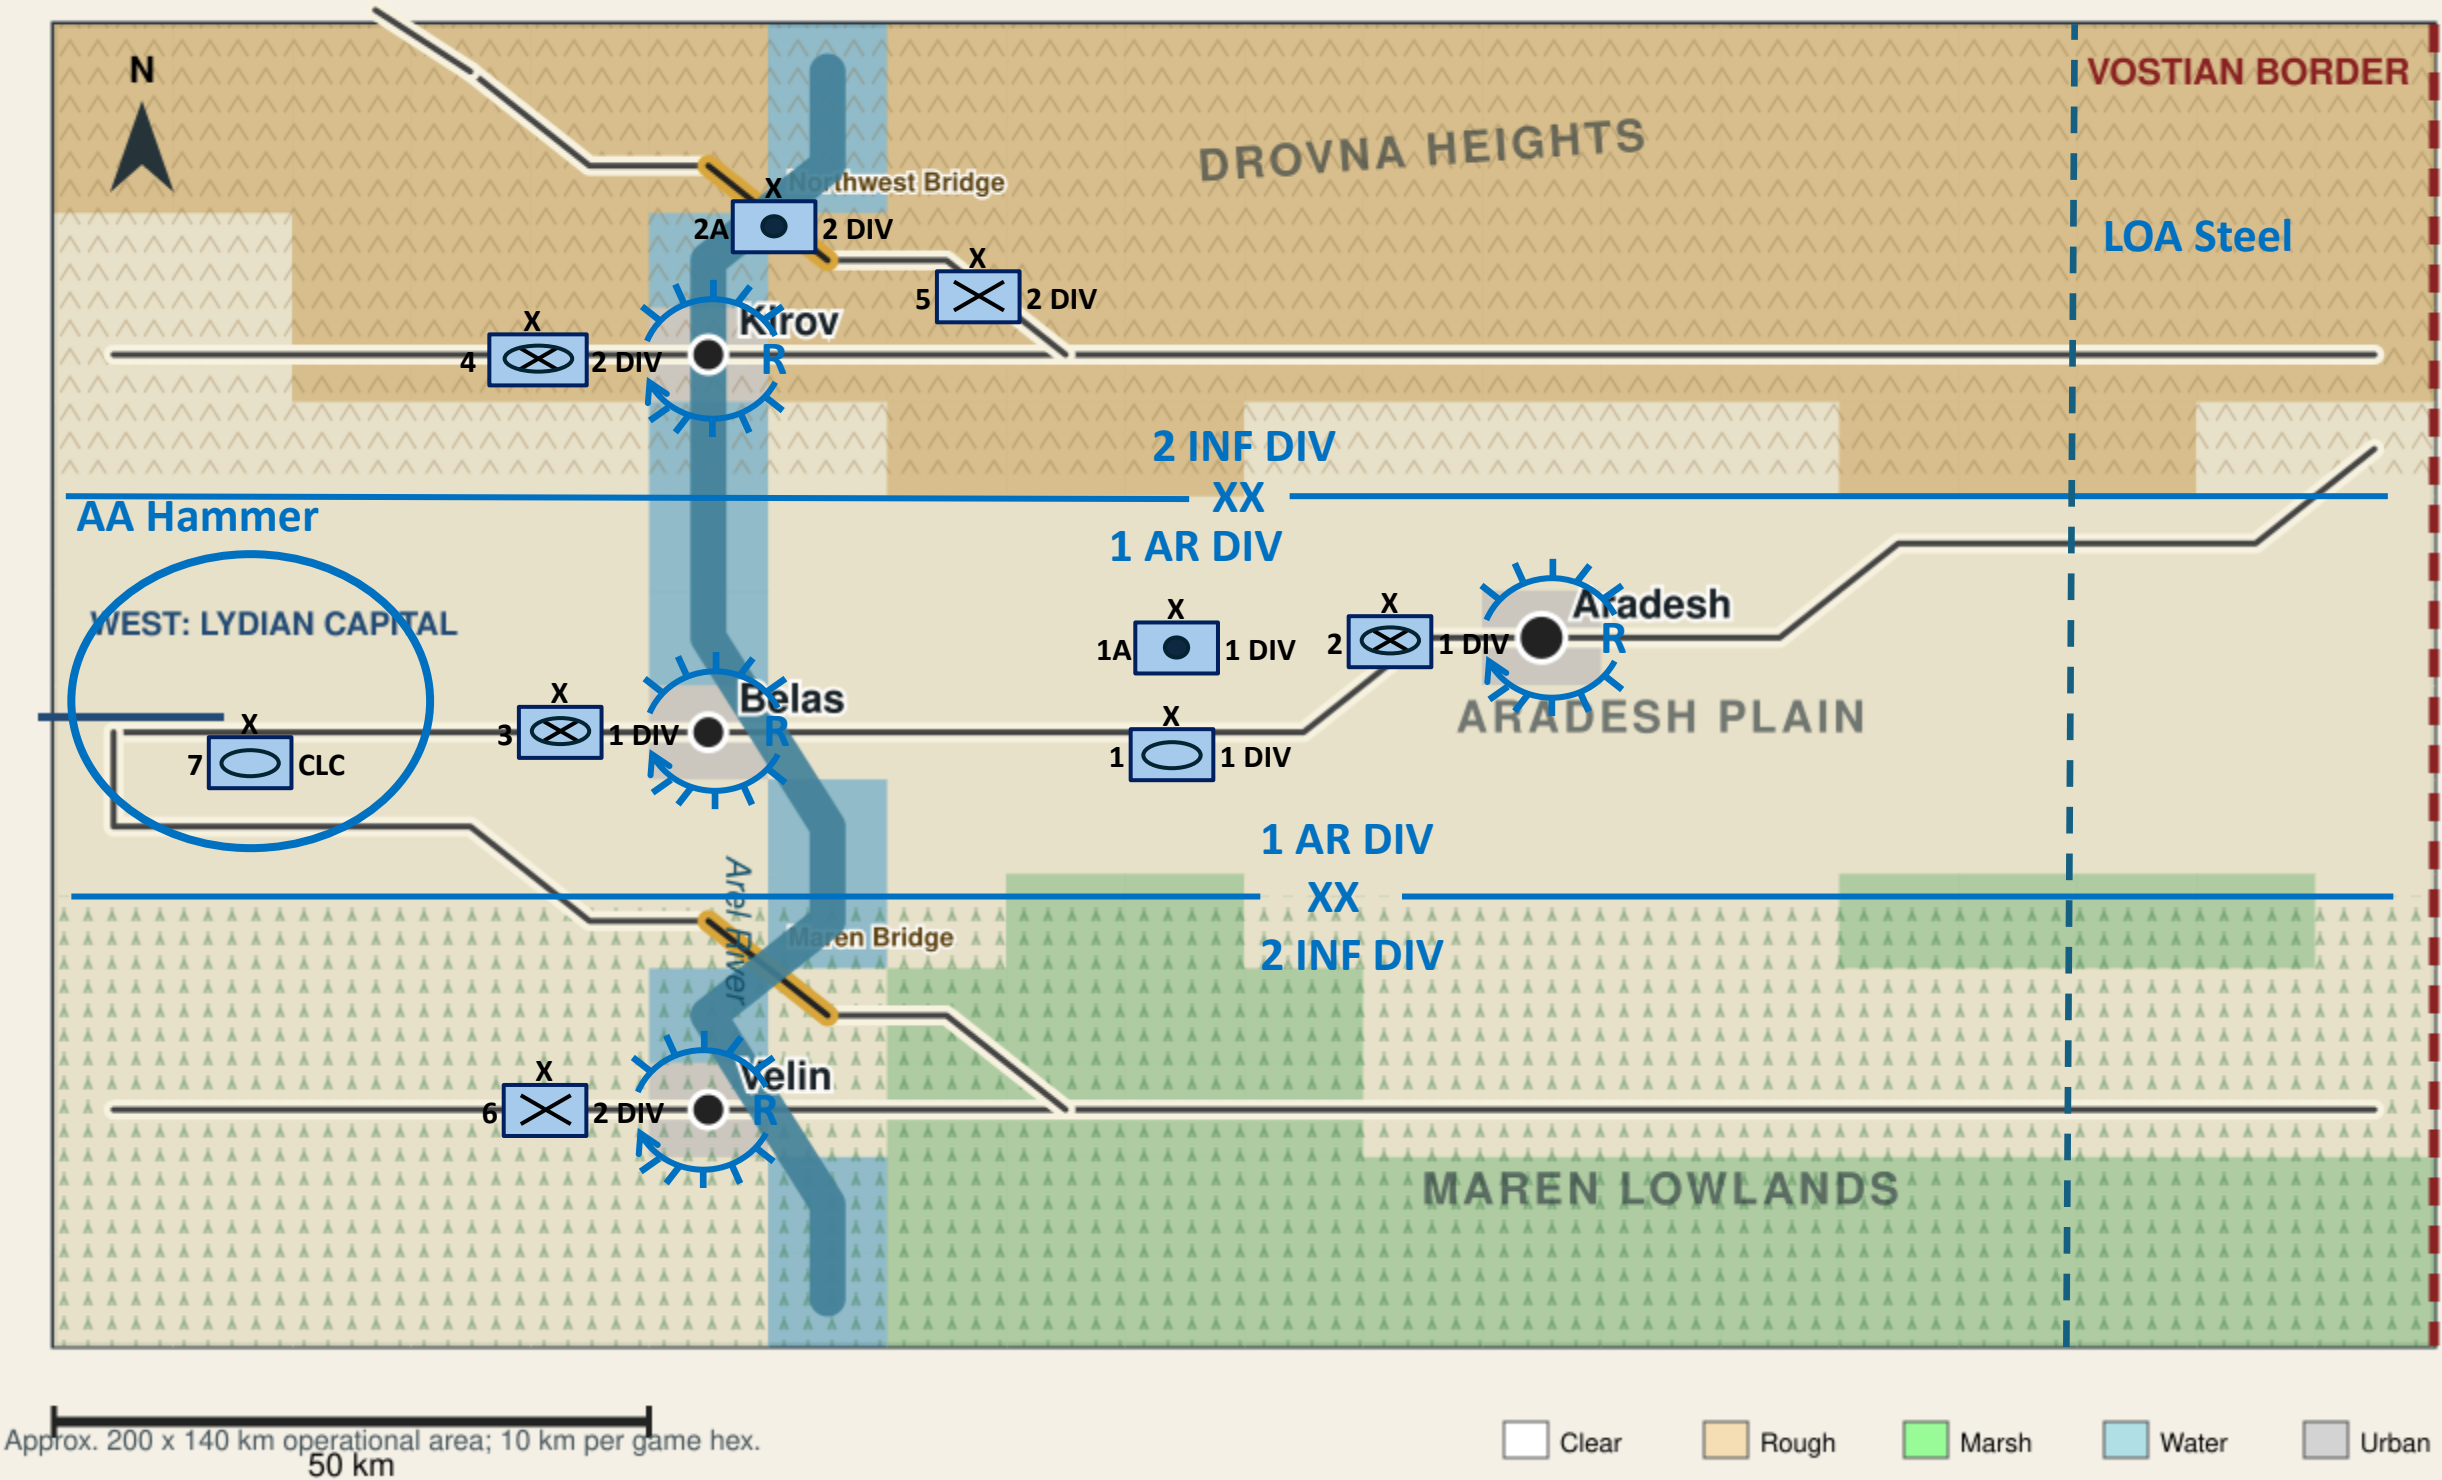

- **RDC Coalition Land Corps** — Fix the enemy and counterattack along one corps-selected branch to defeat the most dangerous penetration and restore the defensive framework.
- **1st Multinational Armored Division** — Fix the central attack and counterattack on order while retaining Aradesh and Belas to restore the central defense.
- **2nd Multinational Infantry Division** — Retain Kirov, reinforce the threatened sector, and secure counterattack passage and flanks to enable the corps decisive operation.
- **1st Division Artillery Group** — Shift PRI to the decisive operation and isolate and suppress the enemy penetration to enable the division counterattack.
- **2nd Division Artillery Group** — Support 4th Mechanized Brigade or 7th Armored Brigade and isolate and suppress the designated penetration to enable the corps counterattack.

Abbreviations: **GS** = general support; **PRI** = priority of fires;
SOLID = PRESENT; DASHED = PLANNED OR CONDITIONAL

Blue PHASE IV RDC COALITION LAND CORPS

- **RDC Coalition Land Corps** — Consolidate and reorganize the defense, secure retained terrain and crossings, and reconstitute the corps reserve to defeat renewed attack.
- **1st Multinational Armored Division** — Consolidate and retain Aradesh and Belas, secure the western route, and reconstitute the division reserve to restore the central defense.
- **2nd Multinational Infantry Division** — Consolidate and retain Kirov and the flank crossings and restore mobility to reestablish the northern and southern defenses.
- **1st Division Artillery Group** — Provide GS; reposition and replenish fires capabilities to support the consolidated central defense and defeat renewed attack.
- **2nd Division Artillery Group** — Provide GS; reposition and replenish fires capabilities to support the restored flank defenses and defeat renewed attack.

Abbreviations: **GS** = general support; **PRI** = priority of fires;

SOLID = PRESENT; DASHED = PLANNED OR CONDITIONAL
